LAND ACQUISITION :

Our real estate lawyers are well versed with various state legislation and jurisdictions. They have experience in scrutinizing litigations pending against the immovable property, encumbrances / charges, easements and registrations / authorizations with the competent government authorities.

We are already working with major government institutes viz., NHSRCL (Bullet train project), PWD and MAHARAIL for land acquisition and have assisted them at various levels for legal and proper land acquisition as per the provisions of The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation, Resettlement Act, 2013 (Along with amendments)

REAL ESTATE & CONSTRUCTION:

Real estate deals are becoming ever more complex and with the introduction of the Real Estate (Registration & Development) Act 2017, housing project developers as well as agents have to comply with new rules as prescribed and the Firm can assist in the registration process as well as development and planning of projects and construction, risk identification and appraisal, representation and liaising with regulators and Government authorities, tax, finance and re-financing, securitization, real estate investment fund formation, structuring and joint ventures, and real estate mergers and acquisitions.

EXPERT JURIST LLP provides comprehensive services in all aspects of property and real estate transactions including title due diligence, sale-purchase, leasing, construction-development, mortgage and litigation in respect of industrial, commercial and residential property.

Location & Site Analysis and Title Due Diligence: Legal Assistance for finalizing most favorable/preferred location and other allied searches including vetting of documents and verification of title.

CO-OPERATIVE HOUSING SOCIETY

We are associated with Maharashtra Societies Welfare Association (MAHASEWA - Founding Chairman, CA Mr. Ramesh Prabhu) and would be able to provide wide spectrum of services, including Legal, Accounts and Auditing services, needed for effective running and management of Co-operative Housing Society.

CORPORATE LEGAL SERVICES OUTSOURCING:

This involves serving as an adjunct Legal Department to such companies which would like to outsource the requirements of a Legal Department. Complete Legal Structuring of all activities and building of templates peculiar to their nature of activities. Such services also include provision of legal advice in respect of all matters, transactions and issues arising in the course of the activities of its corporate clients on an ongoing basis. Close connectivity and interaction with the Client Company on a periodic basis is expected to be maintained

BANKING AND LOANS:

We have active team which supports Financial Institutes/Banks/NBFC with respect to title scrutiny, vetting of documents, legal opinions on various issues, recovery of bad debt, attachment of Assets, NPA and recovery issues.

SERVICE MATTERS:

We have experienced team of Advocates who deal with Individual's issues related to service matters before "Armed Forces Tribunal", "Central Administrative Tribunal" and "State Administrative Tribunals".

LEGAL AUDIT:

Our firm has brought out an innovative programme of conducting legal audit by way of certifying the completion or fulfillment of all imperatives and compliances governing corporate business required of a Company under various laws and procedures. Our firm has developed a very elaborate and systematic mechanism of ascertaining all the required compliances under law which corresponds to the status and the business functions of a company at any given time. Our team takes down all the required parameters after interacting with the concerned client following which the compliance evaluation report is generated.

CREATION OF LEGAL SYSTEMS:

This service relates to providing need-based legal systems which are formulated and standardized after absorbing the business objectives and functional layouts of every individual client including its various businesses as well as its labour and administrative operations. The firm will also provide its advices in all the legal fields regarding any of the matters or proceedings that are pending or are likely to come before a court of law.

INTELLECTUAL PROPERTY RIGHTS:

We provide all required legal and procedural services pertaining to registration, infringement, monitoring and allied services in respect of Intellectual Property Rights viz., Trade Mark and Service Marks, Copyright and Related Rights, Industrial Designs, Patents, Issues pertaining to Confidentiality / non-disclosure / Trade Secrets

INFORMATION TECHNOLOGY AND CYBER CRIMES:

With the growth in the IT sector it is important for companies to be sensitive to the various gamut of laws which apply such as the Information Technology Act. This commences from most directly the data protection and privacy laws and extends to intellectual property rights or even cyber defamation cases. Beyond pure financial disputes, contentious litigation often involving criminal laws against websites which host social media content has also been on the rise.

CRIMINAL LAW AND BAIL

We have years of experience in Criminal Law practice – Bail, anticipatory bail, trial, appeal and writ petitions and would be in a position to provide comprehensive guidelines based upon the merits of case.

MATRIMONIAL DISPUTES

Our special team of lawyers, deal with all the matrimonial disputes and complications arising therein and try to provide best legal support and assistance at all the stages of case.

SOME OF THE FIRM'S LEADING CORPORATE CLIENTS:

- National High-Speed Rail Corporation Limited (Bullet Train Project)
- Public Work Department (PWD)
- Maharashtra Rail Infrastructure Development Corporation Ltd. (MAHARAIL)
